[REDACTED] Attached is the original request for documents relating to Abu Grahb and GTMO. There is one particular question which requests documents from CIRG. I was wrong regarding only GTMO, as the request pertains to both entities. If you could have someone identified as the POC and pull the relevant documents and send them to [REDACTED] Major Project Management Unit, AEAS, INSD (ext [REDACTED]) I would appreciate it. [REDACTED] has responsibility to collect all the info.
