I am the FBI Office of General Counsel point of contact for the military investigators reviewing allegations of abuse against military personnel. They have recently received FBI documents from the General Counsel referring to such allegations or complaints. Based upon these documents, the investigators have requested to interview some FBI personnel. Your names are on their request.

Brig. General Furlow is leading their investigation and is in Washington, D.C. next week. I would like to speak to you about their request. Please send me a contact number and a time that I can call you.
