[redacted] this was an item we need to get back to [redacted] on. I'll forward ILU's comments separately (primarily that the MOU is confusing as to its acronyms) but other than that, I see no reason to hold it further. [redacted] asked that you take a look before I respond to [redacted].

[redacted] this again is [redacted] MOU. I concur with ILU's comments (to be forwarded separately) that, while confusing with the acronyms, it protects our interests. The information sharing provisions appear to be consistent with our normal practices.

Attached is the latest version of the MOU. This is edited from yesterday's version. See Article 4, Section A, para (3) for changes. They were o.k. with the allocation of personnel issue, although they want to revisit it at a later date. I told them, hopefully it will be unnecessary after all the quirks are worked out??? We'll see.

CITF would like to get together on this on Monday 8/16/04 down at CITF at 10 a.m. Are you available?
