[REDACTED] I do not have any objections to what's in this MOU- do you see anything missing?

Attached is the latest version of the MOU. This is edited from yesterday's version. See Article 4, Section A, para (3) for changes. They were o.k. with the allocation of personnel issue, although they want to revisit it at a later date. I told them, hopefully it will be unnecessary after all the quirks are worked out??? We'll see.
