I did. I also have ILU doing some research. DOJ will not give a declination w/o knowing the facts, but his reaction to the facts was the same as mine: no criminal charge is apparent. In terms of noticing the agents, that only needs to be done if criminal charges are apparent.

I should get together with SC Fogle today. Did you have any discussions with DOJ?

For your info, SC Fogle has been out all week and that is why I have not approached her yet with the issues we face. Hopefully she will be in on Monday.
