After we got off the phone, I found the attached email which we sent to General Miller last year. Also, there is a copy of the military's use of approved coercive techniques which are quite different I am sure from the Bureau guidelines you are preparing.

It was good to talk with you the other night. I look forward to reading your response to the outlandish accusations made by the inspectors and [redacted]

Attached are two documents- 1) a one-page description of a matter concerning interview/interrogation which we spoke to the Commanding general about, and 2) An outline of the coercive techniques in the military's interviewing tool kit.

I will also send our Interview Plan for Detainee # 63, Mohamed Alqatani. When I return to D.C., I will bring a copy of the military's interview Plan... You won't believe it!
