Attached is a schedule for the Iraq Predeployment Training for January 8-12. This training has been very well received in the past, and I hope that you all will be able to participate again. This rotation will primarily consist of agents from the New York Office, additionally, we have been tasked to train the Regimes Crimes Liaison Office. This training iteration will consist of approximately 30-35 agents and support from the FBI, ATF, DEA and Marshals.

I have attached a tentative schedule. Some of this will likely change, but it would be a great assistance if you all could check your availability for me and confirm, if possible. If you are unavailable, please help me locate an alternate with your same base of knowledge.

If you have a classified presentation please bring your own classified laptop.

Thanks
