[REDACTED] FYI: there were no markings on it as it went to DoD -- although I've heard that SPIKE thinks some of it should have been marked.

Valerie,

[REDACTED] called me this afternoon to request a copy of the Harrington letter on treatment of GITMO detainees to respond to a request from the DAG's office. There is some confusion over what has been released through FOIA and what was leaked to the AP reporter. I explained [REDACTED] that this letter has not yet been released to ACLU through FOIA, but is in the batch to be released 12/15. I gave him the unredacted copy (marked SECRET), a redacted copy (names and certain SECRET infor) and a read through copy
