[redacted] Not sure how this plays into what you were discussing this AM but, per Valerie's direction, NSLB is working on a chronology to document FBI involvement in the mistreatment issue. It doesn't exist yet but [redacted] is the attorney assigned. b6

[redacted] One of the things I wanted to speak with you about today was assigning [redacted] to create, with the assistance of [redacted] a chronology of events with respect to FBI involvement as to detainee treatment/mistreatment. Is this a good fit for him. b6 b7C

I need you to assign one of your attorneys to supervise a para (or do it him or herself) to prepare a chronology of events relative to FBI involvement with the issue of treatment/mistreatment of detainees. The goal is to have a document that will be of use for briefing the Hill when/if they ask for it. [redacted] is cc'd b/c he has the universe of documents they will need. Some judgment needs to be used in terms of what should go in the chron. b6 b7C

I've attached documents that do some of this already.
